

# Club Championship League Playoffs

April 2023

## 1. Playoff Format

On the conclusion of the season's final round robin, total team points will seed teams into the **Club Championship** round or one of the league **Flights**. The number of Flights and the number of teams in each playoff division is determined by the number of teams in the league that season. **All league teams will be seeded into the playoffs.**

## 2. Playoff Divisions

### a. Club Championship

The top 4 teams in total league points will play a *Page Playoff* format.

### b. Flights A to D

Seeded by total league points, 4 teams in each Flight will play a *Page Playoff* format.

### c. Flight E

The remaining 6 teams play round 1. Round 2 is comprised of the 3 winners from round 1, and the losing team with the highest game points. The 2 winners of round 2, go on to the Flight championship game.

## 3. Playoff Rules

All League rules are in effect for the playoffs with the following exceptions:

- a. No curfew.
- b. Ties are played out with a full end toward the glass.
- c. The team with the higher year end total points will have the option to select hammer or rock colour, but in the final game of the Club Championship and Flights A to D, the winner of the 1 vs 2 game, will have the option to select hammer or rock colour.
