

Locker Assignment Policy

Locker inventory may at times not meet the demands of our members. To resolve the allocation, requests will be assigned in order of the following priorities and then by date the request is received with that priority:

1. The member had an assigned locker the previous season and is registered and paid* before September 30th.
 - a. **Full or One League Members**, the previous years locker is reassigned.
2. Requesting a locker or upgrade for the coming season and is registered and paid* before September 30th.
 - a. **Full Members**
 - b. **One League Members**
3. Requesting a locker or upgrade for the coming season and is registered and paid* after September 30th.
 - a. **Full Members**
 - b. **One League Members**
 - c. All other Membership/Registration categories.

***Note:** "Paid" in all the above scenarios, includes both membership fee and locker fee.

Should demand surpass supply, paid locker fee refunds will be offered as follows:

1. Paid for a full locker and accepts the offer of a half locker, the difference in cost will be refunded, or
2. A full refund should the requested locker not be available.
