

Open House Procedures October 2021

Open House week will commence on **Monday October 18th**. Hours will be 1:00 to 4:00 pm and 6:30 to 9:00 pm Monday through Friday. Saturday hours are 1:30 to 4:00 pm.

Our Open House procedures are founded on current public health guidance and generally accepted best practices for disease transmission control. Government mandated contact tracing will be managed with the CurlION Contact Tracing Application. To do so the most efficiently, members should register for membership online through our web site at least 3 days prior to entering the Club.

Everyone entering the Club during Open House must adhere to the following:

1. **Those already registered as Members for this season, wishing practice ice time, should reserve a time prior to arrival:**
 - a) Reservations must be made by e-mail to wellandcurlingclub@gmail.com with the following information:
 - i. Name(s). Up to 4 members accepted per sheet.
 - ii. Requested Date
 - ii. Requested Time
 - iii. Contact Phone Number
 - b) A reply email will confirm the reserved time and date or offer alternative times or dates.
 - c) Reservations will be accepted on each half hour. Be prepared to start at your allotted time. You will have 20 minutes of practice time to allow for rock sanitizing.
 - d) Reservations are for a specific sheet of ice. Sanitation requires that no other sheet be used. The handles of the stones will be sanitized between use by trained volunteers.
 - e) At no time will more than 32 people be on the ice and lower lounge combined.
 - f) **A QR Code will be e-mailed to you. Please bring the QR code (on your device or on paper) along with your proof of vaccination for entry into the Club.**
2. **Those wishing to manually register as a 2021-22 Member:**
 - a) You will be received at the front door reception desk; your contact information and verification of vaccination status will be confirmed and you will then be directed to the upper lounge.
 - b) The upper lounge will be equipped with membership applications and volunteers to assist and answer any questions.
3. **Prospective new members requesting an on-ice demonstration**
 - a) You will be received at the front door reception desk; your contact information and verification of vaccination status will be confirmed and you will then be directed to the upper lounge's new curlers information desk.
 - b) The information desk will answer any questions, review the *Learn to Curl* program and prepare for on-ice instruction. If the dedicated ice sheet is available, the instructor will commence the on-ice session. There may be a need to reserve a time or simply come to the first *Learn to Curl* session.
 - c) Should you wish to become a member after the on-ice session, you will be directed back to the upper lounge for registration.

Traffic flows through the facility will be according to the **WELLAND CURLING CLUB RETURN TO PLAY GUIDELINE BOOKLET**. The usual exit from the facility will be through the exit door near the furnace room. Any changes from these traffic flows will be indicated by specific signage at the curling club during Open House.
