

Ice Rental at the Welland Curling Club

Footwear

If you don't have curling shoes, use a clean dry pair of flat running shoes. The club has grippers available for you to use but quantities are limited. Tape is available for the sliding foot to reduce friction when throwing the rock. The Club recommends that you wear grippers on both shoes while on the ice (except when throwing a rock).

Equipment

Brooms are provided.

Clothing

Ice level temperature is approximately 5 Celsius. It's best to wear a light jacket or fleece over a warm shirt. Thin flexible gloves are also a great idea. Wear loose fitting pants. Dress in layers you can always shed.

Headgear

The Club highly recommends that you wear either a protected headband or helmet while on the ice.

Schedule

You should arrive at least 20 minutes early but you may want to arrive early depending on the size of your group. It will take a few minutes to ensure each person is prepared to go on the ice.

Instructors

If you are new to the sport and would like to have one or more instructors work with you or your group please be sure to request it when booking.

Food & Beverage

No food or beverage is allowed on the ice.

When you arrive

Preparation

Make sure all participants have two grippers and the sliding foot is taped (assistance will be provided). The faster you get setup the more ice time you have. Do not step onto the ice with your slider/taped foot first.

Ice Time

The rental period is 2 hours from your recorded booking appointment.

Waiver of Liability

Complete it and submit it to the club.
